

South Florida Section:

We have received our designated slots for the USPSA national Back to Back Championships. I received only 3 for Factory and 4 for Race gun. Slots will be awarded according to merit. Please contact me by email with your name, USPSA number, and division you wish to participate before May 1st. Slots will be awarded May 3rd. Also include any major matches you have shot and/or worked in the last year. I am certain when open registration becomes available there will be spots open for these matches. If you want to shoot it, but cannot get registered after open registration begins please contact me.

David Jenkins

SIG Presents the 2020 USPSA Back to Back National Championships  
The USPSA Factory Gun Nationals Sponsored by The Blue Bullets  
Carry Optics and Production Division  
October 18-20, 2020  
Universal Shooting Academy  
Frostproof, FL

USPSA and Universal Shooting Academy present The Blue Bullets Factory Gun Nationals  
October 18-20th for Carry Optics and Production Division

Per the USPSA 2019 Nationals Slot [Policy](#), those who earned slots during 2019, including returning National Champions, Area Champions, and recognized Class and Category winners, will receive slots for entry into the match by April 5th, 2020. USPSA Section Coordinators will receive slots based on reported and paid affiliate activity by April 5th, 2020.<sup>[1]</sup><sub>[SEP]</sub>

Pre-registration for all earned slots will open June 5th at 7:00pm EST, and will close July 31st, 2020. All unused slots will be returned to open registration for all other competitors starting on August 1, 2020.

Earned slots will be emailed to individuals, and will only apply to Carry Optics and Production Divisions in which they were earned. Remember, slots earned at Area matches are distributed exclusively to Area residents. Activity slots will be emailed to USPSA Section Coordinators for distribution.<sup>[1]</sup><sub>[SEP]</sub>

Payment is required at the time of registration. Super Squads are based on returning top ten competitors by order of finish, all other squads are first come-first serve. This will be a 3-day match with AM/PM squads on each day of competition.

There will be Staff Matches for Factory Gun, Oct. 16-17, and Race Gun, Oct. 21-22. If you are going to work and shoot one of the matches you will not need a slot. Troy McManus will have a staff application online later this month with additional match staff information.

All registration and squad selection will be hosted on the PractiScore website.
